EXPERIENCE

- **Independent AI Content Creator | Sanatan SacredVerse** *Aug '26 - Present*
  - While pursuing B.Tech in ECE, I began working with Generative AI tools and making short films. I handle the work myself, from story planning and to voice, editing and upload.
  - Plan scenes and make character/location references and storyboards, then revise prompts when generated clips have visual or continuity issues.
  - I also handle character dialogue, narration, BGM/SFX, thumbnails, titles and descriptions.
  - **Upcoming Film:** Adhaiya Ki Bhakti is currently in editing.
- **WordPress and AI Developer | Martand Gurukul, Bihar** *Nov '25 - Present*
  - Maintain WordPress website content and support an AI-powered Vedic knowledge chatbot, currently focused on data collection and cleaning.
  - Website: https://martandgurukul.com/
- **Mathematics Tutor | Self-Employed** *Sep '23 - Present*
  - Teach school students one-on-one and simplify difficult concepts through clear, step-by-step explanations.
